5th–8th July 2017  
Vienna, Austria

## IAUP Triennial 2017

The Programme Committee invites you to participate in the IAUP Triennial Conference 2017 and submit your abstracts! Below please find the topics for the Conference 2017, as well as important dates and submission information.

### Theme

Innovation in Education

### Topics

- >> Simulation-based learning and training
- >> Innovation technologies in learning and training
- >> Expectations from the industry to the education worldwide
- >> New trends in education

### Submission requirements

An extended two-page abstract must be submitted via [www.iauptriennial2017.com/submission-iaup-triennial](http://www.iauptriennial2017.com/submission-iaup-triennial) (note the guidelines and templates) by October 31st, 2016.

Accepted contributions will be published as hard copy collected abstracts and distributed at the conference.

Authors of selected publications will be invited to submit a full paper – to be published separately in a proceedings book – after the conference.

Conference language: English

### IMPORTANT DATES:

- >> **October 31st, 2016:**  
Abstract submission
- >> **February 28th, 2017:**  
Notification of acceptance
- >> **July 5th–8th, 2017:**  
Triennial Conference
