

## **Deadlines for the completion of the studies on the undergraduate study programmes of UP FAMNIT**

We inform the students that the Senate UP FAMNIT determined the deadlines for the completion of the studies of the 1st cycle.

### Mathematics, Mathematics in Economics and Finance, Computer Science and Bioinformatics

- submission of the application for the approval of the topic of the diploma thesis (and disposition): till 30 June
- submission of the diploma thesis (approved by the supervisor): till 10 August (the diploma thesis must be submitted at least ten days before the defence)

### Biodiversity, Mediterranean Agriculture

- submission of the application for the approval of the topic of the diploma thesis (and disposition): till 30 June
- supervisor preview of the diploma thesis: till 15 July
- submission of the diploma thesis (approved by the supervisor): till 10 August (the diploma thesis must be submitted at least ten days before the defence)

### Biopsychology

- submission of the application for the approval of the topic of the diploma thesis (and disposition): till 31 May (before the coordinator's approval, the disposition must be previewed by the review committee)
- submission of the diploma thesis (approved by the supervisor): till 10 August (the diploma thesis must be submitted at least ten days before the defence)

Students that will not submit and defend the diploma thesis in the above deadlines, will be able to defend their diploma thesis after 5 October.

The diploma thesis defences are possible from 5 October to 15 September (from 16 September to 4 October defences are not possible).

Students who want to enrol in the UP FAMNIT Master's study programmes must defend the diploma thesis no later than 15 September.
