

Our sign: 1142-40/2020  
Koper: 14. May 2020

Based on the 28th article of the statute of the University of Primorska (Ur. I. RS, no. 51/15 UP-UPB2 and changes), the rector of University of Primorska, prof. dr. Klavdija Kutnar, issues the following

**DECISION**  
**about the measures for the prevention of the spread of SARS-CoV-2 (COVID-19)**

I.

With the 18.5.2020, measures in place at the University of Primorska concerning the prevention of the spread of the SARS-CoV-2 (COVID-19) illness are being altered. Henceforth, the following is permitted in the premises of the University of Primorska:

- 1) Student practical work (laboratory exercise, clinical exercise, field work) and other forms of pedagogic work, which cannot be executed online,
- 2) Work with a mentor (research work, training in simulated environment/ lecture hall),
- 3) Clinical and practical training in educational facilities, if the institution permits it,
- 4) The execution of written examination, wherever this cannot be supplemented by other forms of knowledge testing,
- 5) Student accommodation in student dormitories,
- 6) The work of employees in the field of science and accompanying employment positions (pay class H and J),
- 7) Research work and preparations for the educational process of employees in the field of education (pay class D).

The rectorate shall issue instructions for the adapted working process, pedagogic process and examination process in the light of the easing of measures, the faculties will further define protocol relevant for each specific premise in which activities are executed. All students and employees shall be informed before the commencement of work in the premises of the university. All instructions of the National Institute for Public Health regarding the novel Coronavirus SARS-CoV-2 shall be taken in account at all times.

**Sklep o ukrepih za preprečevanje širjenja bolezni SARS-CoV-2 (COVID-19), 14. maj 2020**

II.

The following measures for the prevention of the spread of SARS-CoV-2 (COVID-19) remain in place at the University of Primorska after the 18.5.2020:

- 1) Wherever possible, the pedagogic process and the examination process shall be held in distance (lectures, seminars, oral examination and related pedagogic activity);
- 2) If educational facilities such as hospitals, elderly homes, schools and similar do not permit the execution of a training, learning process or group learning, these activities shall be moved to a later date,
- 3) Recreational activities for students and employees will not take place,
- 4) All events, extracurricular activities, lifelong learning and other related activities shall be moved to a later date,
- 5) All employees are permitted alternative forms of work,
- 6) All foreign travel is restricted,
- 7) All students and employees are invited to follow measures related to hand and cough hygiene and to respect general instructions preventing the spread of the illness
- 8) All students and employees are invited to follow official and proven information, especially by NIJZ and the WHO.
- 9) All students and employees are invited to tackle discrimination and build respect to others.

III.

This Decision repeals Decision 1142-19/2020 of 13.3.2020 and 1142-22/2020 of 16.3.2020.

The decision shall enter into force immediately and shall remain in force until revoked.

EXPLANATORY STATEMENT

On 13.5.2020, the Government of the Republic of Slovenia, with the 1058. Decree on Temporary Prohibitions of the Gathering of People in Educational Institutions repealed the 568. Decree on Temporary Prohibitions of Gathering in Educational Institutions, Universities and other Educational Institutions of the 15.3.2020. By doing so, it lifted the restriction on gathering people in universities and independent higher education institutions. The University of Primorska adapted its recommendations in view of the new government instructions and recommendations.

Prof. dr. Klavdija Kutnar,  
Rector of the University of Primorska
