NOTES:

[1] Semester: Academic calendar 2019/20 is published on Faculty website <https://www.famnit.upr.si/en/education/general-information#heading2>.

[2] Course leaders will be confirmed by UP FAMNIT Senate in September 2019.

[3] The first external elective course in the 2nd year is the English Language Course. The student may substitute this course with any course that falls within the areas of Mathematics or Computer Science and is taught in English.

ELECTIVE COURSES - IMPORTANT INFORMATION FOR STUDENTS

Syllabus is available on Faculty website <https://www.famnit.upr.si/en/education/undergraduate/cs-first/#heading4>

* it is in students' interests that the courses are evenly distributed throughout the entire academic year. Therefore, before choosing elective courses, check in which semester the courses will be implemented.

* beside the listed courses, students may choose some other courses offered within other study programmes (website: Education/Undergraduate Studies).

Notice that their timetable is suitable only for the students of the study programme within the course is offered, which means that in case of overlapping, students will have to find individually an agreement with the course leader.

Subsequent changes of a chosen elective course (at enrollment) is possible only with a written request. The request must be sent through ŠIS.

A printed version must be delivered to the Student Services until **10th October 2018** (for courses in the 1st semester) or **28th February 2020** (for courses in Spring semester).

After these dates, all requests will be discussed at UP FAMNIT Committee of Academic and Student Affairs.

In this case students must provide an exhaustive explanation for the change.

SUBSEQUENT CHANGES OF OFFERED COURSES:

Possible subsequent changes of the offered courses will be published on Faculty website on **18th September 2019**. Please follow the published information on the Faculty website.
