

UNIVERSITY OF PRIMORSKA

CALL FOR ENROLMENT
INTO MASTER'S DEGREE
STUDY PROGRAMMES

IN THE ACADEMIC YEAR 2024/2025

University of Primorska offers the following master's degree study programmes in the academic year 2024/2025:

Faculty (member of the University of Primorska)	Study programme
Master's degree study programmes	
FACULTY OF MATHEMATICS, NATURAL SCIENCES AND INFORMATION TECHNOLOGIES (UP FAMNIT)	BIOPSYCHOLOGY
	MATHEMATICAL SCIENCES (in Slovene and English language)
	DATA SCIENCE (in Slovene and English language)
	COMPUTER SCIENCE
	SUSTAINABLE BUILT ENVIRONMENTS (in Slovene and English language)
	PSYCHOLOGY
	NATURE CONSERVATION

FACULTY OF MATHEMATICS, NATURAL SCIENCES AND INFORMATION TECHNOLOGIES

Glagoljaška 8, SI-6000 Koper, Slovenia

Website: www.famnit.upr.si/en

Phone: +386 (5) 611 75 75 (Student Affairs Office)

E-mail: referat@famnit.upr.si

University of Primorska Faculty of Mathematics, Natural Sciences and Information technologies offers the following master's degree study programmes in the academic year 2024/2025: Biopsychology, Mathematical Sciences (in Slovene and English language), Data Science (in Slovene and English language), Psychology, Computer Science, Sustainable Built Environments (in Slovene and English language) and Nature Conservation.

STUDY PROGRAMME: BIOPSYCHOLOGY

TYPE OF STUDY PROGRAMME: MASTER'S, SECOND CYCLE

DURATION: 2 YEARS, 120 ECTS

MODE OF STUDY: full-time study

PLACE OF STUDY: Koper, partly Izola

ADMISSION REQUIREMENTS

Admission to the first year of study shall be granted to the candidates who have completed:

- a) a first cycle study programme in the study field of biopsychology or psychology;

- b) a first cycle study programme in other study fields, provided that they have also completed the study obligations (up to 60 ECTS credit points) deemed essential for continuing their studies. Candidates can complete additional study obligations during their undergraduate studies, in training programmes, or by passing the exams prior to their enrolment in the master's study programme. Individual applications shall be considered by the Faculty Commission of Academic and Student Affairs;
- c) an equivalent education abroad and have been, in the process of recognition of their qualification and in accordance with Assessment and Recognition of Education Act, legally granted the right to continue their studies in the study programme.

IN CASE OF ENROLMENT LIMITATION the candidates are selected according to average grade obtained in the undergraduate studies (one of their academic requirements is also the Final Project Paper completed during their undergraduate studies).

Number of enrolment places

Koper, partly Izola	Full-time
Citizens of the Republic of Slovenia and citizens of the European Union Member States	30
Slovenians without Slovenian citizenship	1
Citizens of Western Balkans countries, with which the Republic of Slovenia has a bilateral agreement in the field of education (Bosnia and Herzegovina, Montenegro, Kosovo, Serbia, North Macedonia)	2
Citizens of other non-EU countries	1
Parallel studies	1

ENROLMENT IN THE SECOND YEAR OF STUDY (ACCORDING TO THE CRITERIA FOR TRANSFERRING BETWEEN STUDY PROGRAMMES AND CONDITIONS FOR ACCELERATED ADVANCEMENT)

Transferring between study programmes is possible according to the Higher Education Act, Criteria for transferring between study programmes and other regulations of this field.

Transfer between study programmes is the enrolment in the higher year of the study programme, in case of leaving the studies in the first (initial) study programme and continuation of studies in another study programme of the same degree. The transition takes into account the comparability of the study programmes and the completed study obligations of the candidate in the initial study programme. The transition between study programmes is also enrolment of the graduate in the higher year study programme of the same degree.

Transferring between study programmes is granted to candidates, provided that the following conditions are met:

- the candidate fulfils the admission requirements for the study programme;
- completion of the first study programme which the candidate is transferring from ensures the acquisition of comparable competencies as those envisaged by the study programme Biopsychology; and
- other conditions in accordance with the Criteria for transferring between study programmes have also been met (a comparable course structure, course requirements completed).

Applications for transferring between study programmes are considered by the relevant Commission. In accordance with the Criteria for transferring between study programmes the Commission takes into account the comparability between study programmes and study obligations the candidate has completed in the previous study programme, that can be recognized in this study programme. The candidate may also be required to complete differential exams as defined by the relevant Faculty Commission.

Enrolment is also open to candidates of a comparable study programme abroad who have been, in the process of recognition of their previous studies (in accordance with Assessment and Recognition of Education Act), legally granted the right to continue their studies in the study programme.

IN CASE OF LIMITED ENROLMENT the candidates are selected according to average grade obtained during the study programme they are transferring from.

STUDY PROGRAMME: **MATHEMATICAL SCIENCES**

TYPE OF STUDY PROGRAMME: MASTER'S, SECOND CYCLE

DURATION: 2 YEARS, 120 ECTS

MODE OF STUDY: full-time study

PLACE OF STUDY: Koper

Study programme is offered in Slovene and English language.

ADMISSION REQUIREMENTS

Admission to the first year of study shall be granted to the candidates who have completed:

- a first cycle study programme in any mathematical study field;
- a first cycle study programme in other professional fields, provided that they have, prior to enrolment, completed all study obligations that are deemed essential for the continuation of studies in the master's study programme in Mathematics and accumulated at least 30 ECTS credits. The candidates may fulfil study obligations during their first-cycle studies, under training programmes, or by taking examinations prior to enrolment in the study programme Mathematical Sciences.

Individual application for enrolment of the candidates referred to in the second indent of the first paragraph shall be considered by the competent Faculty's Commission. The candidate shall complete additional study obligations before enrolling in the master's study programme.

IN CASE OF ENROLMENT LIMITATION the candidates are selected according to average grade obtained in the undergraduate studies.

STUDY PROGRAMME: **PSYCHOLOGY**

TYPE OF STUDY PROGRAMME: MASTER'S, SECOND CYCLE

DURATION: 2 YEARS, 120 ECTS

MODE OF STUDY: full-time study

PLACE OF STUDY: Koper

ADMISSION REQUIREMENTS

Admission to the first year of study shall be granted to the candidates who have completed:

- a) a first cycle study programme in the field of psychology or biopsychology that complies with the requirements of the EuroPsy Certificate, earning at least 180 ECTS credit points;
- b) a first cycle study programme of at least 180 ECTS credit points from the field of biopsychology, having also completed academic requirements of 10 to 42 ECTS credit points that are deemed essential for the continuation of their studies, namely from the list of courses in the following subdisciplines: educational psychology, work and organizational psychology, developmental psychology, clinical psychology, research methods, differential psychology and (bio)psychology of motivation and emotions. Upon examination of the candidate's previous study programme the competent Faculty Commission shall define each candidate's additional academic requirements on a case-by-case basis. The additional study requirements may be completed during the candidate's undergraduate studies, in training programmes or by passing exams before enrolling in the master's study programme;
- c) another first cycle study programme, provided that the programme covered at least 120 ECTS credit points in topics from the field of psychology and that prior to enrolment the candidate has completed additional academic requirements essential for further studies to the total of 30 to 60 ECTS credit points. Suitability of the completed study programme, and consequently the possibility of enrolment in the present programme, is decided upon by the competent Faculty Commission, which reviews the submitted undergraduate study programme the candidate has completed and any other evidence of the proficiencies the candidate has acquired. Having established that the completed study programme potentially allows the candidate to enrol in the master's study programme, the Commission then determines the additional academic requirements the candidate must complete, depending on the disciplinary field of the candidate's previous studies. Candidates may complete these additional academic requirements during their undergraduate studies, in training programmes, or by taking exams before enrolling in the master's study programme;
- d) an equivalent education abroad and have been, in the process of recognition of their qualification and in accordance with Assessment and Recognition of Education Act, legally granted the right to continue their studies in the study programme Psychology.

IN CASE OF ENROLMENT LIMITATION the candidates are selected according to average grade obtained in their undergraduate studies (one of their academic requirements is also the Final Project Paper completed during their undergraduate studies). The grade-point average of candidates who have completed a study programme under Paragraph b) or c) of the conditions for admission to the programme also includes the grades of their additional academic requirements (bridge exams).

ENROLMENT IN THE SECOND YEAR OF STUDY (ACCORDING TO THE CRITERIA FOR TRANSFERRING BETWEEN STUDY PROGRAMMES AND CONDITIONS FOR ACCELERATED ADVANCEMENT)

Transferring between study programmes is possible according to the Higher Education Act, Criteria for transferring between study programmes and other regulations of this field.

Transfer between study programmes is the enrolment in the higher year of the study programme, in case of leaving the studies in the first (initial) study programme and continuation of studies in another study programme of the same degree. The transition takes into account the comparability of the study programmes and the completed study obligations of the candidate in the initial study programme. The transition between study programmes is also enrolment of the graduate in the higher year study programme of the same degree.

Transferring between study programmes is granted to candidates, provided that the following conditions are met:

- the candidate fulfils the admission requirements for the study programme;
- completion of the first study programme which the candidate is transferring from ensures the acquisition of comparable competencies as those envisaged by the study programme Psychology; and
- other conditions in accordance with the Criteria for transferring between study programmes have also been met (a comparable course structure, course requirements completed).

Applications for transferring between study programmes are considered by the relevant Commission. In accordance with the Criteria for transferring between study programmes the Commission takes into account the comparability between study programmes and study obligations the candidate has completed in the previous study programme, that can be recognized in this study programme. The candidate may also be required to complete differential exams as defined by the relevant Faculty Commission.

Enrolment is also open to candidates of a comparable study programme abroad who have been, in the process of recognition of their previous studies (in accordance with Assessment and Recognition of Education Act), legally granted the right to continue their studies in the study programme.

STUDY PROGRAMME: **COMPUTER SCIENCE**

TYPE OF STUDY PROGRAMME: MASTER'S, SECOND CYCLE

DURATION: 2 YEARS, 120 ECTS

MODE OF STUDY: full-time study

PLACE OF STUDY: Koper

ADMISSION REQUIREMENTS

Admission to the first year of study shall be granted to the candidates who have completed:

- a first cycle study programme in relevant professional fields and achieved at least 180 ECTS credit points;
- a study programme leading to a professional higher education degree or a study programme leading to a university degree in appropriate professional fields (pre-reform study programmes, adopted before 11 June 2004).

Undergraduate study programmes considered as appropriate professional fields for enrolment in the master's study programme are those pursuing the following study fields: *Computer Science, Computer Science and Mathematics, Mathematics, Electrical Engineering, Bioinformatics*.

Candidates having completed study programmes from other professional fields equivalent in their scope and duration to the study programmes in the above paragraph must fulfil additional study obligations, the contents and scope of which depend on the previously completed undergraduate study programmes. Additional study obligations comprise courses determined from the undergraduate study programme Computer Science (UP FAMNIT) in the amount from 10 to 60 ECTS credit points.

An individual application for enrolment of the candidates referred to in the third indent shall be considered by the competent Faculty Commission. The candidate shall complete additional study obligations before enrolling in the master's study programme.

IN CASE OF ENROLMENT LIMITATION the candidates are selected according to average grade obtained in their undergraduate studies.

STUDY PROGRAMME: NATURE CONSERVATION

TYPE OF STUDY PROGRAMME: MASTER'S, SECOND CYCLE

DURATION: 2 YEARS, 120 ECTS

MODE OF STUDY: full-time study

PLACE OF STUDY: Izola, Koper partly

ADMISSION REQUIREMENTS

Admission to the first year of study shall be granted to the candidates who have completed:

- a) a first cycle study programme Biodiversity/Conservation Biology at UP FAMNIT or a first cycle study programme accumulating at least 180 ECTS credit points of which at least 30 ECTS credit points are in the fields of biology or environmental sciences;
- b) a first cycle study programme accumulating at least 180 ECTS credit points in other similar study fields (biotechnical sciences, natural sciences) without meeting the conditions of paragraph a). In this case, the candidate has to pass study obligations that are fundamental for enrolment, in an amount up to 30 ECTS credit points. Upon examination of the candidate's previous study

programme, the competent Faculty Commission shall define each candidate's additional academic requirements on a case-by-case basis;

- c) a first-cycle study programme accumulating at least 180 ECTS credit points in other study fields that are not included in paragraphs a) and b). The candidate has to pass study obligations that are fundamental for enrolment, in an amount up to 60 ECTS credit points. Upon examination of the candidate's previous study programme, the competent Faculty Commission shall define each candidate's additional academic requirements on a case-by-case basis.

IN CASE OF ENROLMENT LIMITATION the candidates are selected according to average grade obtained in their undergraduate studies.

PROCEDURES FOR APPLICATION FOR ENROLMENT

PROCEDURES FOR APPLICATION FOR ENROLMENT AND APPLICATION PERIODS ARE PUBLISHED IN THE DOCUMENT »*PROCEDURES AND APPLICATION PERIODS FOR SUBMITTING THE APPLICATION FOR ENROLMENT INTO MASTER'S DEGREE STUDY PROGRAMMES OF THE UNIVERSITY OF PRIMORSKA IN THE ACADEMIC YEAR 2024/2025*«.

Candidates who intend to study in the master's study programmes at UP FAMNIT can apply for enrolment, regardless of whether they have already obtained a diploma at the time of submitting the application. Diploma is not a prerequisite for application. Candidates must submit the required evidence of fulfilment of the enrolment no later than the deadlines specified in »Common provisions«.

Candidates are required to submit the evidence of fulfilment of the enrolment conditions and all supporting documents electronically via the eVŠ web portal.

Scanned documents or photographs of original certificates and other required documents are considered as proof that the enrolment conditions in the application and admission procedure have been met.

DOCUMENTS REQUIRED FOR THE ADMISSION PROCEDURE (EVIDENCE OF FULFILMENT OF THE ENROLMENT CONDITIONS)

For enrolment in the first year candidate must submit:

- an e-copy or photograph of the Diploma certificate – mandatory document,
- an e-copy or photograph of the Transcript of records or Diploma supplement (the average grade of the previous study shall be evident) – mandatory document.

For enrolment in the first year (parallel studies) candidate must submit:

- an e-copy or photograph of the Transcript of records - the average grade of the study shall be evident – mandatory document,
- an e-copy or photograph of the approval of the (parent) higher education institution – mandatory document.

For enrolment in the second year (according to Criteria for transferring between study programmes) – if candidate has already obtained a diploma - candidate must submit:

- e-copies or photographs of syllabuses (approved by the (parent) higher education institution) – mandatory document.

For enrolment in the second year (according to Criteria for transferring between study programmes) – if candidate is a student - candidate must submit:

- a. an e-copy or photograph of the Transcript of records - the fulfilment of the conditions for advancement in the previous study shall be evident – mandatory document;
- b. e- copies or photographs of syllabuses (approved by the (parent) higher education institution) – mandatory document.

GRANTING THE STATUS OF AN ENROLMENT CANDIDATE WITH SPECIAL STATUS

During the application-enrolment procedure for master study programmes of the Faculty candidates may apply for a special status on the basis of which they can be added to the list of candidates admitted post-deadline. However, they must nonetheless meet the admission requirements laid down in the accredited study programme and achieve at least 90 % of the required score. Based on a candidate's written request and relevant supporting documents, the University Commission in charge of requests and appeals decides on whether to confer special status on the candidate.

Special status may be granted to a candidate who provides relevant supporting documents certifying:

- disability or special needs;
- chronic illness or consequences of an acute disease that persevered throughout the application procedure and had a material impact on the candidate's academic achievement during the relevant period;
- exceptional social circumstances;
- "top athlete" status in the relevant period.

In order to be awarded special status candidate must send an application along with relevant supporting documents by the deadlines applicable for the submission of the application for enrolment.

The Commission for Requests and Appeals in the Application Procedure of the University of Primorska shall decide on the conferral of the special status and inform the candidate and the relevant Faculty. Decisions of the Commission concerning candidates with special status have effect only on the application and enrolment procedure under this Call.

INFORMATION ABOUT RECOGNITION OF FOREIGN EDUCATION

Candidates who have completed comparable studies abroad and who (in accordance with the Assessment and Recognition of Education Act in Slovenia) have been granted the right to continue their studies in an individual study programme in the process of recognizing foreign education, may also enrol in master study programme.

Candidate who has completed education abroad and has already obtained a **decision of recognition of foreign education** proves fulfilment of the conditions for enrolment in the first or higher year of study by submitting a decision of recognition.

IMPORTANT

Candidate with a foreign certificate must submit an electronic application for enrolment via the eVŠ web portal: <https://portal.evs.gov.si/prijava/?lang=en>

For candidate with a foreign certificate in education, who **does not have a decision on recognition of education yet**, the application for enrolment is also **considered as an application for the recognition of foreign education**. Candidate must fill out the section in the application regarding the recognition of foreign education and submit all supporting documents stated in the Call for enrolment. Candidates comply with the deadlines for the submission of supporting documents for admission and enrolment conditions that apply to the admission and selection procedure described in the document »PROCEDURES AND APPLICATION PERIODS FOR SUBMITTING THE APPLICATION FOR ENROLMENT INTO MASTER'S DEGREE STUDY PROGRAMMES OF THE UNIVERSITY OF PRIMORSKA IN THE ACADEMIC YEAR 2024/2025«.

Candidates are required to submit the evidence of fulfilment of the enrolment conditions and all supporting documents electronically via the eVŠ web portal.

Scanned documents or photographs of original certificates and other required documents are considered as proof that the enrolment conditions in the application and admission procedure have been met.

DOCUMENTS REQUIRED FOR ADMISSION PROCEDURE (EVIDENCE OF FULFILMENT OF THE ENROLMENT CONDITIONS)

Candidate must submit:

- a. an e-copy or photograph of the Diploma certificate – mandatory document,

The authenticity of a copy of the diploma certificate will be checked by the Faculty at the issuer of the original document or at the competent authority of the country of origin of the document. If the Faculty is unable to confirm the authenticity of the document, it will ask the candidate to send the original document/s of completed education abroad, for which they want to be recognized for the purpose of continuing studies in the application-admission procedure, legalized according to regulations and country of origin. The requirements for legalization according to the country of origin of the document/s are stated in the »Procedures and application periods for submitting the application for enrolment into master's degree study programmes of the University of Primorska in the academic year 2024/2025«.
- b. an e-copy or photograph of the translation of the Diploma certificate into Slovene language (a copy of the translation of the Diploma certificate from point a. in Slovene performed by a court translator is sufficient), please consult the authorized persons at the Faculty regarding the need for translations – mandatory document,
- c. an e-copy or photograph of the Transcript of records of previous studies which includes grade point average – mandatory document,
- d. an e-copy or photograph of the translation of Transcript of records into Slovene language (a copy of the translation of the certificate from point c. in Slovene performed by a court translator is sufficient), please consult the authorized persons at the Faculty regarding the need for translations – mandatory document,
- e. Short chronological description of the entire education (stated by the candidate) – mandatory document,
- f. an e-copy or photograph of the candidate's identity document with their written consent for:
 - a citizen of a Member State of the European Union: an identity card or a passport (the page containing the candidate's personal information which indicates their first and last name, date and place of birth, and citizenship);
 - a citizen of a country that is not a Member State of the European Union: a passport (the page containing the candidate's personal information which indicates their first and last name, date and place of birth, and citizenship).

Appendix is not required. If the faculty needs access to an identity document to establish the identity and citizenship of an individual, they will be invited to enable this access. The faculty is obliged to obtain and verify the evidence required for applying for enrolment and recognition of education for the purpose of continuing education, as determined by the regulations governing proof that the enrolment conditions are met, and documentation is to be attached to the application for recognition of education.

The list of required documents for recognition of foreign education may differ according to the state from which the document originates. Candidates are therefore advised to contact the authorised official at the Faculty, which delivers the study programme they are applying.

Before starting to edit the evidence for the recognition of education candidates are advised to inquire at the Faculty. If the Faculty cannot assess on the basis of the submitted documentation it may request the candidate to submit additional evidence.

More detailed information on the recognition procedure is available on the UP website, at: <https://www.famnit.upr.si/en/education/enrolment>
