

## OBVESTILO

V četrtek, 28.8.2008 in petek, 29.8.2008 UP PINT in UP FAMNIT v mali predavalnici UP FAMNIT, Glagoljaška 8, Koper organizirata mini konferenco s področja teoretičnega računalništva "The first Mini conference on Theoretical Computer Science".

Dnevni red:

- **Četrtek, 28.8.2008:**

**10:00:**

**Ana Krulec** (University of Primorska)

**I/O efficient BFS on flat areas (also BSc thesis defense)**

**11:00:**

**Lars Arge** (Center for Massive Data Algorithmics, DAIMI, University of Aarhus)

**MASSIVE Data Algorithmics**

- **Petek, 29.8.2008:**

**14:30:**

**Milan Đorđević** (University of Primorska)

**Influence of grafting a hybrid searcher into the Evolutionary Algorithm**

**15:15:**

**József Békési** (University of Szeged)

**Bus scheduling in uran transportation**

**16:00:**

**Atilla Tóth** (University of Szeged)

**Reconfiguring flexible machine modules of a PCB assembly line**

**16:45:**

**Gianni Franceschini** (University of Pisa)

**Order Statistic Problems on Suffixes**

**VLJUDNO VABLJENI!**
