

Erasmus+ Internship

UNIVERSITY
OF APPLIED SCIENCES
UPPER AUSTRIA

International Office of the University of Applied Sciences Upper Austria, Steyr Campus

Duration: for the period of August to December 2026; Minimum 2 months / Maximum 5 months

Erasmus+ funding required via your home institution as the internship is unpaid.

Looking for an Erasmus+ internship in an international environment? Join the International Office at the University of Applied Sciences Upper Austria and gain hands-on experience in a strategic internationalization project and international mobility processes.

About the Erasmus+ Internship:

Your Tasks

- Support the collection, structuring and analysis of data related to study abroad opportunities
- Contribute to the evaluation and categorization of international study options
- Help prepare and structure information for study abroad opportunities
- Contribute to the buddy program for international students
- Support communication and organizational tasks where needed
- Administrative assistance for the International Office Team

Your Requirements:

- Strong English skills in writing and speaking (B2 or higher)
- Interest in international mobility and higher education
- First-hand experience studying abroad
- Confident with planning and staying organised
- Strong attention to detail
- Currently enrolled in a Bachelor or Master program in Business, Management, Social Sciences, or Computer Science
- Familiarity with Excel and AI tools is a plus
- Able to receive an E+ grant or other financial support, as the internship is unpaid

Application: You can apply by sending your CV and motivation letter to international@fh-steyr.at with the title "Traineeship Application by 20th of June."
