- >> **October 31st, 2016:**
Abstract submission
- >> **February 28th, 2017:**
Notification of acceptance
- >> **July 5th–8th, 2017:**
Triennial & Young Scientists Conference

* You will find the detailed information about the tracks on the website: www.iauptriennial2017.com/submission-young-scientists

Conference language: English

www.iauptriennial2017.com

Conference Theme: Sustainability

The IAUP scientific conference is committed to interdisciplinary research, diversity and an international perspective. Empirical, theoretical, historical, methodological, policy, application and translational submissions from investigators around the globe in all disciplines related to the two tracks are welcomed.

Who may submit

The IAUP scientific conference encourages submissions from early career researchers and PhD students.

Submission requirements

For abstract submission, we invite two types of presentations: individual paper and individual poster presentations. All submissions will be reviewed according to scientific quality criteria: www.iauptriennial2017.com/submission-young-scientists. Accepted contributions will be published as hard copy collected abstracts and distributed at the conference.

Selected papers will be invited for publication after the conference.
