

Ljubljana Doctoral Summer School 2017

Slovenia

3 – 7 July & 10 – 14 July & 17 - 21 July

The Ljubljana Doctoral Summer School provides a learning experience of considerable and lasting added value, inviting the best professors and selecting specialised courses. Each of the courses is offered within a week of intense work in English.

The Ljubljana Doctoral Summer School gathers PhD students, post-doctoral students, academics and professionals. Therefore it is a valuable opportunity to network with participants from other countries and institutions, gather new insights on one's research project and exchange ideas and knowledge in an international setting. The courses are designed in a way to offer the most in a very intense form.
