The Embassy of the Argentine Republic in Vienna presents its compliments to the University of Primorska and is pleased to convey herewith information on "Campus Global", the Argentine platform for exchange students.

"Campus Global" enables foreign students to gain fruitful experiences in Argentina. It offers a filter system to help select the area of study, level of education, destination and duration of stay, which makes it possible for each student to customise his/her preferences and individual needs. Based on this information, the platform proposes destinations and options which fit the criteria. Another section of "Campus Global" informs about the necessary paperwork according to the student's country of origin. Moreover, the platform contains information on the latest scholarships offered as well as agreements, testimonials and events. Another feature is the calendar which shows the opening and closing dates of calls. Herewith the link to an info video about the platform: <https://www.youtube.com/watch?v=SjpuQyh4zCQ&feature=youtu.be> as well as the link to the platform itself: <https://campusglobal.education.gob.ar>

The Embassy of the Argentine Republic kindly requests the University of Primorska to forward this information to students interested in studying abroad.

The Embassy of the Argentine Republic avails itself of this opportunity to renew to the University of Primorska the assurances of its highest consideration.
