

INFONOVA is an international information technology company and one of the biggest IT employers in Styria with 350 employees at the headquarters in Premstätten/Graz and Vienna.

We are specialized in providing technology and business-oriented solutions and services to telecommunications, media, utility and convergent industries.

We are always looking for the best people for our exciting national and international projects.

**Develop [yourself] with us!**

To strengthen our team in **Graz** we seek:

## Test Manager (m/f)

### Your future areas of responsibility include:

- Responsible for the quality of software deliveries on a project level
- Definition and review of the quality criteria of software releases
- Development of test strategies and test plans
- Communication and coordination with project manager and customers
- Testing of non-functional requirements in regard to performance, security & usability
- Ensure the realization of quality assurance processes and quality KPIs
- Continuous identification and implementation of quality improvements on a project level
- Strengthening quality awareness in the project and Scrum teams

### Your qualifications/strengths:

- Min. five years' experience in test management (ideally in international project environments)
- Min. three years' experience in software test (ideally in the telecom sector)
- Excellent understanding of software quality and usability of software products
- Experienced in testing of critical business processes (ideally in the telecom sector)
- ISTQB Certification (Test Manager) or similar
- Quick learner with an interest in the functionality and business processes of software solutions
- Excellent communication skills (spoken & written) in English and German

### Our Offer:

Become an important role within a high professional SW development team. Work together on bleeding edge technologies in a high motivated environment. You can expect versatile and interesting assignments with a high personal responsibility and very good educational opportunities. Good co-operation and social interaction are essential elements of our philosophy. Therefore, we offer our employees scope for development to integrate all personal strengths in an international field of activity. We look forward to welcoming you!

We offer an attractive salary (represented by the blue chart) dependent on your qualifications and professional experience. Due to regulatory reasons we advise you that the collective agreement stipulates a salary starting at EUR 2.789 gross/month for this position, but of course offer overpayment.
