

TRAINING THE NEXT GENERATION
OF INTERNATIONALISTS

2026-2027 RAUN Theme “Human security in a fragmented world and the age of emerging technologies”

About the Academy

- Extracurricular *educational* programme on issues related to the UN and international affairs
- 7-month programme from October 2026 to April 2027
- One theme of global relevance each year
- Research projects in close cooperation with the UN and other international organizations
- 2 in-person and 2 online sessions combining lectures with hands-on experiences
- Forum for networking and academic exchange
- Registration fee of 200 €, scholarships available

“The Regional Academy on the United Nations is a valuable multicultural educational initiative to train an emerging generation of young scholars in issues of importance to the United Nations.”

Jan Eliasson, Former UN Deputy Secretary-General

Opportunities for participants

- Gaining practical knowledge about the UN system and international cooperation
- Supporting the work of the UN in addressing global challenges
- Learning from high-ranking UN and government officials
- Networking during various social events, meeting like-minded peers and practitioners
